As a member of the Theodore Dirksen family, I would like to express our appreciation to Mr. Tony Leone for the rehabilitation work he has done to this date on our Jackson Parkway family home. During the discussions we had with Mr. Leone regarding the purchase of our home, he indicated that he would handle the rehab/remodel work on our home with the same care that he took in restoring the Pasfield House. On behalf of my brothers and sisters I am pleased that Mr. Leone has kept his word. The work done to date appears to be of high quality, a trademark of the Dirksen family and A. Dirksen & Sons Furniture Store.

Submitted Respectfully,

A handwritten signature in cursive script that reads "George Dirksen". The signature is written in black ink and is positioned above the printed name.
