Dear Mayor Davlin and Aldermen:

On Friday, July 7, 2006, Governor Blagojevich signed into law SB 2454 which was promoted by the Illinois Historic Preservation Agency.

The legislation expands existing state law, for the consumption and sale of liquor at additional historic sites as well as the Presidential Library and Museum, where consumption of alcohol was already allowed but restricted to government groups and not-for-profits.

I strongly support the Pasfield House petition to obtain a liquor and food catering license, especially in light of the fact that any reception rental the Pasfield House loses from an IHPA facility could be off set by the potential of landing the catering contract for that event.

Thank you for your attention to this matter. If you have any questions, please feel free to contact me at 217/782-0053.

Sincerely,

A handwritten signature in blue ink that reads "Rich Brauer".
